## June 6 HSFAG Summer Challenge reveal and potluck ...plus tips and hacks

June 6, 2018
Honolulu Museum of Art School
*6:00 p.m. The meeting will start an hour earlier since it is a potluck meeting. Please check with the guard to confirm the meeting room number.*

This year's challenge is to recycle and repurpose something you already have. Traditionally, this meant mending, refinishing, or changing an item to be more useful. Upcycling is the process of converting old or discarded materials into something useful and often beautiful. In other words, bringing obsolete objects back to life.

Members who have paid their dues for 2018 are eligible to enter the challenge. Dues can be paid on the night of the meeting. Bring your completed project in a PLAIN BROWN BAG. An entry number will be assigned to your piece. Please turn in your entry to Ellen Owens by 5:45 on the evening of the meeting. Members present will peruse the entries and vote for their "favorite." The item collecting the most votes will receive a $100 prize. Good Luck!

Potluck dish assignments are as follows: Last names begining with A to G: salad or vegetable dish; H to N: desserts; 0 to Z main dish. Bring enough for 6-8 servings. Paper goods and bottled water will be provided. While we enjoy our dinner and socialize, please be prepared to share your ideas, techniques, tips, and hacks for making your sewing, stitching, and fiber work projects easier to accomplish. If you know of a great new product, or a source for purchasing interesting materials at a great price, please share that too. If you need to bring a sample or demonstrate, please bring your materials with you. We all have our secret short cuts--this is your chance to share it with the rest of us!

# Aileen's Message

## HSFAG President, Aileen Kaneshiro

Congratulations to Guild members Sue Larson and Charlotte Szarmes who each presented beautiful collections at the recent HCC Bon Voyage Fashion Show! The photos speak for themselves. It was a fun night of great food and non-stop fashion. Thank you so much, Joy Nagaue, for allowing our members and guests to sit together and be a part of celebration.

The Upcycle Challenge and Potluck meeting is no upon us! In addition to revealing our upcycled projects that we have been working on for the past few months, please be ready to share your tips and hacks that are stitchery related. While the votes are tabulated, we will have a show-and-tell-and-share session. As usual, please do come to the meeting even if you don't have an upcycled entry. We need your unbiased votes, potluck dishes, and hacks!

Charlotte Szarmes
